

MIAMI POLICE TRAINING CENTER

Introduction to Crime Scene Investigations

Instructor:

Hector Infante
Crime Scene Investigations Unit
Supervisor / Lead Instructor

Hector Infante – is a twenty-eight year veteran of the City of Miami Police Department. Currently, he commands the day-to-day operations of Miami CSI. He has a vast amount of experience dealing with major crime scenes and the latest crime scene technique and technology. He is a graduate of the University of Tennessee school of National Forensic Academy.

Note: Participants would have to bring their own camera preferably DSLR.

COURSE OVERVIEW:

This forty (40) hour course is specialized training for crime scene personnel and individuals interested in learning the fundamentals of crime scene investigation. The course will detail an initial response procedure; surveying, protecting, preserving, and collection of on scene evidence; evidence handling procedures; diagramming and documentation of crime scene; court room testimony. There is an optional three week observer ride along program available, at an additional cost, limited space available.
