S.O.P. 6

SUBJECT: WEAPON USE AND CARE

PURPOSE: To establish guidelines for the practical use, care, maintenance, and training of the approved weapons.

SCOPE: Only those members who obtain a qualifying score from a certified instructor will be authorized to carry their approved firearm(s). Qualification must be kept current by completion of the certified course on a yearly basis.

I. QUALIFICATION

A. Standard Firearms: Only firearms which officers are currently qualified and departmentally approved to carry (Glock) 40 mm handgun, shotgun, and carbine rifle will be utilized during Gang Intelligence Unit operations.

B. Special Firearms: Only departmental approved .223 caliber rifles and ammunition will be used.

Unit Commander
Gang Intelligence Unit

11/21/2018
Effective Date
C. Gang intelligence Unit personnel must successfully complete the three (3) day departmental .223 caliber rifle training class, and obtain a qualifying score, for consideration to utilize the rifle during GIU operations. After which, semi-annual qualifications will be conducted for all GIU personnel by the Training Unit, Firearms Training Section. Only qualified officers will be eligible to utilize the rifle when it is deployed.

II. TRAINING

A. Additional training can be conducted semi-annually, and/or as needed. This is for permanently assigned Gang Intelligence Unit personnel only and will ensure that all are familiar with the handling and functioning of the rifle in the event of an emergency.

III. INSPECTION

A. The Lieutenant will conduct semi-annual inspections of all firearms/equipment assigned to the unit to ensure that all personnel are in compliance with Departmental Orders.

IV. STORAGE

A. The serial number of each rifle (city-issued or personal) will be recorded by the Squad Sergeant, who will maintain a computerized inventory master list of all rifles issued and to whom. Monthly, Squad Sergeants will visually inspect each rifle to ensure availability and condition of the rifles and will note this inspection.

B. Rifles and ammunition in the carry case will be stored in the trunk of the assigned officer's vehicle during the work shift.

C. Rifles will not be secured in a vehicle during non-duty hours. It is the assigned officer's responsibility to unload and secure the weapon, inside his or her residence at the end every shift. Members will also adhere to Departmental Orders.
STANDARD OPERATING PROCEDURES: S.O.P. 6

(Continuation)

V. DEPLOYMENT

A. Any deployment of .223 rifles must be in accordance with existing Departmental Order Carbine Deployment:

1. Rapid Response to an active shooter.
2. Perimeter where an armed subject is sought.
3. In progress felony call involving a firearm.
4. To affect the rescue of wounded personnel.
5. Initial containment of a sniper until the deployment of S.W.A.T.
6. Felony vehicle stops/containments.

VI. NON-DEPLOYMENT

A. The rifles will not be deployed during traffic stops, foot pursuits, routine arrest take-downs, crowd situations, as a show of force, or when there is a possibility of overpenetration. The exception would be as required for self-defense of the officer or safety of others to include any critical incidents, felony vehicle stops, or any High-Risk situation.

VII. MAINTENANCE

A. Squad Sergeants will assure that rifles are cleaned and properly lubricated at the conclusion of any training. Rifles will be inspected each month by the Squad Sergeant and documented on the Maintenance Record, for cleanliness, functioning, damage and any appropriated action taken.

STANDARD OPERATING PROCEDURES

S.O.P.  7

SUBJECT: PROCEDURES FOR CONDUCTING PRE-PLANNED STAKEOUTS

PURPOSE: To describe the necessary requirements for conducting a stake out with Unit personnel.

SCOPE: This S.O.P. will outline the proper steps to take when information is obtained by the Gang Intelligence Unit Officer that is indicative of a violation of law, which may necessitate along term surveillance or “stakeout.”

I. PROCEDURES

A. The officer will notify his/her Gang Intelligence Unit Sergeant of the need to conduct a stake out. The GIU Sergeant will contact the Unit Lieutenant and determine equipment and operational needs.

B. The officer will obtain all possible information concerning the anticipated incident, including but not limited to: type of crime, location and typography time, method, number of offenders (names if known), dress, vehicles, weapons, routes of ingress and egress, etc.

Lt. Col. W. J. 7/7/0

Unit Commander

11/21/2018

Effective Date
STANDARD OPERATING PROCEDURES: S.O.P. 7

(Continuation)

C. This information will be presented to the appropriate GIU Sergeant, who will ascertain whether a “stakeout” is warranted.

1. If a “stakeout” is warranted, the officer and the GIU Sergeant will initiate a tentative plan or surveillance. Each possible action by the suspects should be considered at this meeting and alternative counteractions developed.

2. This plan along with contingencies will be presented to the Unit Lieutenant for approval prior to implementation.

3. An Operational Plan WILL be prepared and provided to the Unit Commander via E-mail and hard copy.

4. Any incident that was not pre-arranged such as a critical scene will have an Operational Plan and After-Action Report generated within 48 hours of the scene’s conclusion.

D. The use of informant information is frequently utilized in “stakeout” situations. It is therefore, incumbent upon the approval of the Unit Lieutenant to consider these situations with a most critical analysis.

1. Reliability, motivation, involvement, and entrapment are but a few of the necessary considerations.

2. Informant management shall be the responsibility of the lead investigative unit. Officers will receive training regarding the Rachel Hoffman Law.

A confidential informant can either be a volunteer or a paid informant. Investigators will adhere to Departmental Orders when dealing with confidential informant(s).
E. Gang intelligence Officers will not conduct “stakeouts” or surveillances outside the City of Miami’s jurisdiction without approval from the Unit Lieutenant and providing the case has a nexus to the City of Miami Police Department or has been requested by an outside agency that has a current Memorandum of Understanding (M.O.U.) with the City of Miami Police Department.

F. 301 Investigative Reports will be prepared for each priority case to include:

- Synopsis
- Pictures/Suspects/Evidence
- Evidence seized
- Units requested
- Chain of Custody
- Location and Times
- Defendants or any person of interest
- Rescue notifications
- Response to Resistance notifications (if applicable)
- Any additional pertinent information.

II. “STAKEOUT” OR SURVEILLANCE REQUEST BY OTHER UNITS

A. It will be the responsibility of the Lead Investigator requesting the assistance of the Gang Intelligence Unit to prepare a detailed operational plan which must be approved by both chains of command.
VEHICLE PURSUIT

To establish procedures regarding vehicle pursuits.

I. PURSUIT

A. The target vehicle shall meet the pursuit criteria as outlined in the Departmental Orders.

B. A pursuit is an active attempt by an authorized emergency vehicle to apprehend a suspect fleeing in a motor vehicle. The officer must reasonably believe that the suspect knows he was directed to stop, refuses to stop, and is willfully fleeing in an attempt to avoid capture by using high speed driving or other evasive tactics such as driving off the highway, making sudden or unexpected movements, or driving on the wrong side of the roadway.
II. PURSUIT REPORTS

A. A Pursuit Report shall be completed in accordance with the guidelines in the Departmental Orders. Supervisors will ensure that officers comply with the pursuit guidelines as detailed within the Departmental Orders.

Vehicular Pursuit Review.

1. Supervisors will cover the pursuit policy during Roll Call Training with all officers.

2. A copy of all reports to include the following is to be attached to the Vehicular Pursuit Report.

5. Property Receipt.

7. Lab Request (if applicable).

8. Any other documents completed.

III. VEHICLE CONTAINMENT

The Violent Felony Vehicle Tactic or “Containment” is offered to officers permanently assigned to the Gang Intelligence Unit as an optional method to stop and apprehend wanted subjects. This containment tactic will only be conducted by Gang Intelligence Unit members who have been trained in its application, and while working Gang Intelligence Unit operations. The Squad Sergeant will be notified prior to or immediately after the use of a vehicle containment.

GANG INTELLIGENCE UNIT
STANDARD OPERATING PROCEDURES

S.O.P. 9

SUBJECT: GANG INTELLIGENCE UNIT OPERATIONS

PURPOSE: To describe the necessary requirements for conducting Gang Intelligence Unit Operations.

SCOPE: This S.O.P. will outline the proper steps to be taken when conducting a Gang Intelligence Unit Operation.

I. ASSIGNMENTS

A. The Gang Intelligence Unit is staffed by one Lieutenant, two Sergeants and twelve (12) Detectives. Squads are comprised of six detectives and one sergeant. Operational necessity dictates that GIU squads will be staffed with a minimum of four regularly assigned officers at all times. Squads will always be assigned a sergeant when conducting operations. Sergeants are to coordinate and direct squad members.

B. The Gang Intelligence Unit will provide coverage seven days a week primarily during the hours of 1300-2300. The hours are subject to change based on current crime trends and/or departmental needs.

Unit Commander
Gang Intelligence Unit

Effective Date

11/21/2018
C. Operations are scheduled based on the analysis of the information received from Crime Analysis Unit, District Commanders and current crime trends or patterns. This information will dictate the location and duty hours of a Gang Intelligence Unit operation. Squads will work assigned areas. Sergeants have the discretion to move from an assigned area should newly obtained intelligence dictate the move to be in the best interest of the operation.

D. The Gang Intelligence Unit operations will focus on identifying and apprehending individuals or groups known to be gang members and/or associates. They will also be tasked to apprehend individuals wanted by the Criminal Investigations Section.

E. The Gang Intelligence Unit will use unmarked rental vehicles or other undercover vehicles during all operations.

F. Supervisors and Officers will conduct consent searches in accordance with State and Federal Laws. The consent must be voluntary, freely, and intelligently given by an appropriate party having authority to grant consent, and the search must be limited to the terms of the consent. In every instance where warnings are applicable, the full warning shall be read from a prepared text, and if practicable, signed by the suspect or party authorizing consent.

G. If possible, arrest situations should be made with a two to one officer-subject-ratio or with the appropriate amount of manpower to avoid officer injuries and potential Response to Resistance situations.

H. All Squad Sergeants will ensure that all A-Forms are signed. Acting Sergeants **WILL NOT** sign A-Forms.
II. SCENE PRESERVATION

A. Gang Intelligence Unit may be dispatched to assist other units, as such GIU Officers may be the first on the scene, or the location where a subject is located and taken into custody. It is imperative that GIU officers protect the scene for any evidentiary value which exist, and for the recovery of weapons and fruits of the crime. In cases where a GIU Officer was first on the scene, and has assumed control of the crime scene, the scene will not be handed over prior to a detective arriving on the scene or relieved by a supervisor.

B. Upon the arrival of investigative personnel, the Squad Sergeant will advise the investigative personnel of their findings and prepare reports necessary to be turned over to the investigative personnel.

III. COLLECTION OF PHYSICAL EVIDENCE

A. All evidence collected shall be obtained in a constitutionally correct manner.

B. Collected evidence shall be properly described and identified on a property receipt form with the chain of custody documented.

C. All property and/or evidence shall be turned into the Property Unit prior to the end of tour of duty.

IV. ASSISTANCE TO OUTSIDE AGENCIES

A. Assistance to outside agencies shall be within the guidelines of existing Mutual AID Agreements.
B. Squad Sergeants are to keep the Unit Lieutenant abreast of any request for assistance to any outside agency or assistance to an internal investigative unit of a prolonged nature. One (1) hour or more.

V. COURTESY

A. All contacts (law enforcement, civilian and subject) are made in a professional and appropriate manner.

VI. PROFESSIONAL WORK ETHICS

A. Adhere to the rules and regulations of the department.
S.O.P. 10

SUBJECT: RESPONSE TO RESISTANCE

PURPOSE: To supervisors of the Gang Intelligence Unit with guidelines in the preparation of the Response to Resistance Report.

SCOPE: This S.O.P. will outline the proper steps to be taken when investigating a Response to Resistance incident.

I. RESPONSE TO RESISTANCE PROCEDURES

Supervisor's Response to Resistance Report is to be completed in accordance with the guidelines set forth in the Departmental Orders.

A. In addition to use of force incidents requiring a Response to Report, supervisors and lieutenants are to respond to all scenes to ensure that all reports and documents associated with the incident are completed.

B. The Response to Resistance Report is to be completed by the end of the assigned shift.

6. Pictures of L.E.O.
7. Pictures of Subject(s)
8. Criminal History of Offender
10. Any other documents completed

II. SUPERVISOR GUIDELINES FOR NARRATIVE

A. Describe the situation that led to the Response to Resistance.

B. Indicate time (military) and by whom contacted.

C. Indicate arrival time and location you responded to conduct investigation.

D. Detail the events as related to you by the involved officer(s) and be specific about the actions of the subject and officer(s).
E. Detail in chronological order the precise movements that led to the use of force and/or caused injury to the officer or subject.

F. Compare the officer’s account to the Offense Incident Report (OIR) and the Arrest Form to ensure consistency.

G. Relate the account of any witness officer(s). Do not include statements of witness officer(s) with those of involved officer(s).

H. Attempt to locate civilian witnesses. Document the fact that there were or were not any civilian witnesses found.

I. Relate the account of any civilian witnesses. Indicate the relationship between the witness and the subject, if applicable. Include the address and telephone number of witness.

III. INJURIES TO SUBJECT

A. Describe any injuries, if any. Describe condition and photograph injuries. Document the Fire-Rescue number and the alarm number; if it is minor injury and rescue was not requested state so in the report.

B. Indicate time (military) and location that you interviewed and checked the subject for any apparent injuries.

C. If the Response to Resistance is being completed solely based on a complaint of injury (nothing visible) state so in the report.

D. Detail any damage to City property, if applicable.

E. Document if the injured subject is transported by a marked police unit and name(s) of transporting officer. Location transported to (i.e. Hospital, Robbery Unit).
STANDARD OPERATING PROCEDURES: S.O.P. 10

(Continuation)

F. Indicate the facts surrounding any supervisory decision to transport an injured subject to a location for the purpose of an interview rather than transporting him/her directly to the hospital.

G. If transporting a juvenile for the purpose of an interview, the approving supervisor must ensure the subject(s) parents and/or guardian are notified. Indicate name(s) of parent(s)/guardian, address and contact telephone number.

H. Indicate whether the account of events provided are consistent with or in conflict with those provided by the involved officer(s). Discrepancies are noted in the report, but not necessarily commented upon in the report.

I. Indicate if the subject(s) wish to make a complaint against the officer(s).

J. Check all recorded times to ensure that they are consistent on all forms/reports and with the chronological events.

K. Check the spelling on all names.

IV. OFFICER REPORT OF INJURY

A. Supervisors will complete injury reports in accordance with the guidelines set forth in the Departmental Orders.

   1. Gang Intelligence Unit operations will be conducted with officer safety being of the up-most importance. Supervisors are tasked with constant evaluation of operational tactics. Any deficiency will be corrected immediately and the tactic suspended pending further evaluation.
2. Sergeants are to contact the Gang Intelligence Unit Lieutenant and the Complaint Sergeant when any officer is injured on duty. The Criminal Investigations Division Chief will also be notified in all cases of injury.

3. Any delayed report of injury shall immediately be reported to the unit supervisor/commander. The employee will prepare a memorandum to the Chief of Police explaining the details of the injury and the reason for the delay.
S.O.P. 11

SUBJECT: EQUIPMENT

PURPOSE: To establish procedures for the utilization of equipment issued to the Gang Intelligence Unit.

SCOPE: This S.O.P. governs the use of City owned vehicles, rental vehicles, and any equipment.

1. RADIOS

A. A radio and one spare battery, ear plug, and charger will be assigned to each officer.

B. Supervisors will be issued two (2) radios for safety purposes; one (1) radio will be used to monitor the working channel and one (1) to monitor the tactical channel.

II. ATTIRE

A. Properly dressed in the black polo shirt with the silver badge in the front. The uniform pants will be cargo type and black in color. Visible Miami Police Badge (on chain around neck or on gun belt). All necessary equipment on gun belt and wearing or have readily available the bullet proof vest/Tactical carrier.

III. MISCELLANEOUS EQUIPMENT

A. Any equipment, binoculars, pole cameras, shield, entry tools, radio chargers, holsters, rifle optics, emergency lights, or other equipment assigned to a member WILL be returned to the unit in cases were the unit member is transferred.

B. Each Sergeant will maintain an equipment log and conduct quarterly equipment inspections. A Lost and Damage Report will be prepared for any damaged or missing City Equipment.

C. Any training of the above listed equipment will be recorded and logged by the Unit Supervisor on a quarterly basis.

IV. RENTAL VEHICLES

A. Vehicles are to be used in compliance with the guidelines established in the Departmental Orders.

B. Use and care of vehicles.

1. The Gang Intelligence Unit have received approval to install mobile sirens in their unmarked rental vehicle, and the use of red/blue strobe lights. Supervisors are to ensure that officers have this equipment in their assigned vehicles and that the equipment is in working order.
2. Vehicles not having operational equipment will only be used as surveillance, or as routine back-up units.

3. Officers will adhere to Departmental Orders by completing the new Rental Vehicle Exchange Form and obtaining approval from his/her Unit Commander.

4. The approved form is then forwarded to the Budget Unit for the approval of the Section Commander or designee.

5. Personnel from the Budget Unit will contact the appropriate rental vehicle company to ensure that a vehicle is available. Once Availability is ensured, the officer will be instructed to proceed with the exchange.

6. A copy of the form indicating that an exchange has taken place shall be forwarded to the Budget Unit within one (1) business day.

7. In the event of an emergency exchange (crash, brakes, transmission, etc.) the Squad Sergeant will inspect the vehicle, assure the paperwork is completed and make the exchange. The Unit Lieutenant will be advised of any exchanges. The paperwork will then be submitted as described above. The Unit Lieutenant will maintain a current computerized report of all assigned vehicles.

V. VEHICLE CRASH INVESTIGATION

A. Members will report all vehicle damages to their immediate sergeant on or off duty.

B. The Gang Intelligence Unit Officers will not complete crash reports involving another member of his/her squad unless authorized the Unit Lieutenant or above.
C. The Accident Investigation Unit will be requested to handle all traffic crashes involving members of the Gang Intelligence Unit. The officer’s supervisor will also respond to the scene. Should the Accident Investigation Unit not be able to respond, the Unit Lieutenant must be notified and he/she will make the determination regarding who will handle the investigation.

VI. MDC COMPUTER

A. MDC computers are to be used in compliance with existing departmental guidelines.

1. The computers are programmed to run record checks on individuals, in a portable format. As a result, it is imperative that these computers be protected from unauthorized use and/or loss.

2. Computers are to be secured in the trunk of rental vehicles during the shift, when not in use. Computers will not be stored in vehicles overnight, or for prolonged periods of time.

3. Computer checks will not be conducted while the user is actively operating a vehicle.

4. Computers are very sensitive and should be protected from abuse and damage. Should a computer malfunction or become damaged, a Lost and Damage Report will be prepared detailing the event and forwarded through the chain of command.
