Purpose: To provide guidelines for the operation of the Wrecker Detail which is a sub-detail of the Traffic Unit.

Scope: To improve the effectiveness of the Miami Police Department by facilitating a cooperative effort between the department, towing firms, booting companies, and citizens utilizing towing services. Also, oversees the contractual arrangements between the Department and towing companies contracted to perform these tasks. Also, oversees the towing and storage practices of motor vehicles illegally parked on private property to ensure that State, County and local laws, codes and ordinances are complied with.

I. Private Property Towing

Commander
Wrecker Detail

01/23/19
Effective Date
S.O.P 1 (continued)

A. Ensure that private property towing companies operating within the City of Miami conform to ordinance #11426, #10937 and #10964 enacted by the City Commission governing towing rates.

B. The Wrecker Detail, attached to the Traffic Unit will assume the primary responsibility of enforcement, however, this does not preclude any officer of the City of Miami Police Department to take enforcement action, when deemed necessary.

C. Citizen Complaints

D. When a citizen files a complaint against a towing firm or booting company, a Wrecker Towing Complaint Form will be completed. This form is to be completed on all complaints. The citizen will be kept advised of the status of the investigation. The towing company/booting company will be contacted, and any evidence shall be obtained by the officer, i.e. tow bills, entry on tow company logs, C.I.S. log, etc. This information will be kept in the tow companies' file. If necessary, the complaint will be brought before the Towing Review Board. The Towing Review Board may make a recommendation to the City Manager or his Representative, as to the action to be taken against the company. Suspension of towing privileges or revocation of towing occupational license. The citizen will be advised that he may be asked to appear before the Towing Review Board or the City Manager to give testimony concerning his complaint.

E. The towing detail has the responsibility to inspect Private Property Towing lots to insure that the signs are in compliance with present State Statutes. When violations are found the company will be so advised, and not be allowed to tow from that lot, until such time as the violation is corrected.

F. As stated previously, files will be kept on all towing companies licensed to tow from Private Property in the City of Miami. These files will be reviewed during
S.O.P 1 (continued)

the license renewal period in September. The number of complaints and the manor, in which the companies resolve these complaints, can be used as a basis for denial of the license application.

II. Private Property Towing Licenses

A. The City of Miami Private Property Towing License becomes effective and is due on October 1st of each year.

B. It will be the detail’s responsibility to contact the City of Miami Licensing Department to review renewal applications prior to their mail out in early July of each year.

C. The detail will notify the towing firms wishing to renew their licenses of a mandatory re-inspection of their businesses and tow trucks.

D. All incoming applications will be screened for completeness, and will include the following:

1. A completed and notarized application for occupational towing license, including a copy of the following:

   a. Copy of all current contracts.

   b. Copy of City of Miami Occupational Licenses for automobile towing, storage yard, mechanical repair (if applicable), auto paint and body (if applicable). Note: If the business is located outside the City of Miami, Metro-Dade County or residing municipality, equivalent occupational licenses are needed in addition to the City of Miami required licenses.
S.O.P 1 (continued)

c. Zoning certificated of use and occupancy for storage yard, automobile towing, etc.

2. Record check of towing companies owners, and verify the corporate status with the Secretary of State's Office in Tallahassee.

3. Examine a sample of the “Tow-away” signs.

4. Once steps #1 through #3 have been completed, inspect and complete the following forms:

   a. Complete Inspection Form on the business area storage yard.

   b. Spot-check several towing sites for compliance (private property inspection form).

   c. Inspect the wreckers to be used for towing form Private Property.

5. Once step #4 has been completed, sign and seal application. Give the owner a copy of the original application and have the owner obtain the City of Miami license for automobile towing from Private Property at the City of Miami License Department, 444 S.W. 2nd Avenue (6th Floor). The owner must return with a copy of the receipt in order to obtain final approval and C.I.S. notification of acceptance of Private Property Tow-aways.

6. Complete a Vehicle Inspection Report on each truck that will be on file in the Wrecker Detail.

III. Citizen Complaints on Towing Firm’s Services.
S.O.P 1 (continued)

A. The Wrecker Detail will be responsible for investigating all complaints concerning towing services.

B. If the complaint concerns the towing of an illegally parked vehicle on Private Property, City Ordinances must be used as a guideline for the investigation concerning rate purposes only. State Statutes shall be utilized for all other violations.

C. If the complaint concerns police initiated towing services, the current contractual agreement must be used as a guideline in conducting the investigation.

D. Upon receiving a complaint whether walk-in or by telephone a Wrecker Towing Complaint Form must be filled out.

E. Determine whether the complaint is of a Private Property Towing nature or a police initiated towing.

F. Conduct a complete and thorough investigation.

G. The citizen must be contacted upon the completion of the investigation as to the findings.

H. In the event that a complaint is filed on a police initiated towing agency, the towing agency will be notified and a written reply will be forwarded to the Wrecker Detail by the towing agency.

I. The complaint may be evaluated by members of the Towing Review Board to determine if the complaint should be a basis for suspension or termination.

J. Files will be maintained on all towing firm complaints.

K. Due to the numerous complaints and citizen inquiries that involve towing disputes the Wrecker Detail will maintain an answering machine and a cellular phone 24-hours a day, 7 days a week.
S.O.P 1 (continued)
