Subject: **Miami Police Department Official Statement**

The Miami Police Department has placed four officers on administrative suspension pending the outcome of an ongoing internal affairs investigation. This action reflects our unwavering commitment to integrity, professionalism, and accountability at every level of our department.

While we are limited in what we can disclose due to the ongoing nature of the investigation, one thing is clear: unethical behavior has no place in our ranks. Our officers serve and represent the people of Miami, and they are held to the highest standards. If any member of our department is found to have violated that trust, appropriate and decisive action will be taken.

We remain committed to transparency and will provide further updates as the investigation allows.
