Mounted Patrol Graduation Ceremony

The City of Miami Police Department is proud to announce the upcoming graduation of its Mounted Patrol Unit, marking the completion of a rigorous six-week training program focused on horsemanship and advanced riding skills.

The ceremony will be held in the stables area of Tropical Park at the Ronald Reagan Equestrian Center; a full-service riding facility nestled within one of Miami-Dade's most beloved parks.

Five riders representing the City of Miami, Broward Sheriff's Office (BSO), and Fort Lauderdale Police Department will officially graduate and begin their mounted patrol duties. Their journey has included intensive training in horse care, crowd control techniques, and precision riding—skills essential for effective mounted law enforcement.

Members of the media and the public are invited to attend and honor these officers as we celebrate their accomplishments. A short demonstration will showcase the riders and their new horse partners, highlighting the discipline, coordination, and trust built throughout the program.
