Subject:

VETERANS VEHICLE UNVEILING

On Thursday, **November 12, 2020** Chief Jorge R. Colina will unveil our newly wrapped Miami Police Armed Forces Appreciation Vehicle, and will present the Wounded Warrior Project with a check in proceeds collected during the sale of our Armed Forces Appreciation Badges.

The unveiling will take place at **2:00 p.m. in front of the Miami Police Headquarters Station located at 400 N.W. 2 Avenue.**

Each November, our military community observes National Veterans and Military Families Month. During this special month, we have and hold dear the blessing of freedom secured for us by our service members and their families. Accordingly, the Miami Police Department wishes to commend the military families' contribution and convey our respect and appreciation for the sacrifices they make to support their service members. To that end, the Miami Police Department has partnered with the Wounded Warrior Project to create a Miami Police Department Armed Forces Appreciation Badge. The Wounded Warrior Project is an organization that offers a variety of assistance programs, long term support services, and events for military veterans wounded during deployment following the attacks of September 11, 2001.

A special thanks to **Steve Hargittai from Florida Car Wrap** who donated the wrapping in support of Armed Forces. He will also be present for the unveiling.

Face masks and social distancing will be required.

All past and present military personnel are invited and encouraged to attend.

Media is invited and encouraged to attend as well.
