MIAMI POLICE DEPARTMENT

Date: April 30, 2015

Subject: PROJECT HERO HONORS FALLEN OFFICERS

Project Hero was originally started by the Police Officers Assistance Trust (POAT). Today, it continues to be a tradition carried out by many.

It is a yearly event to honor police officers that have paid the ultimate sacrifice. Both, an American and a Thin Blue Line flag are placed at the final resting site of each officer. Today, during early morning hours, Miami Police officers saluted and paid respects to our very own that died in the line of duty.

The flags will remain at the fallen officers' final resting place throughout the month of May.
