SHOOTING INVESTIGATION

UPDATE: HOMICIDE INVESTIGATION – ARREST MADE

On Wednesday, June 4, 2025, shortly after 5:00 a.m., officers from the City of Miami Police Department responded to a report of a shooting near NW 1st Avenue and NW 6th Street. Upon arrival, they located a female victim suffering from a gunshot wound. Miami Fire Rescue transported her to Ryder Trauma Center at Jackson Memorial Hospital in critical condition. While securing the scene, officers also discovered a male victim, later identified as Mr. Abran Cumba, who had sustained fatal gunshot wounds and was pronounced deceased on scene.

The investigation quickly progressed, and through a combination of interviews and additional investigative methods, the suspect was identified as 60-year-old Juan Antonio Vera. The suspect's vehicle was ultimately traced to the Hillsborough County area.

On June 13, 2025, due to a thorough investigation, and close collaboration with the Hillsborough County Sheriff's Office, Juan Antonio Vera was located and taken into custody without incident.

We acknowledge the coordinated efforts, attention to detail, and swift action of the Homicide Units, Video Retrieval Unit, Crime Gun Intelligence Unit, Felony Apprehension Team, and the Hillsborough County Sheriff's Office which were key to the successful apprehension of Juan Antonio Vera and the prompt resolution of this case.
